THE FOOTLIGHT CLUB

ORGANIZED 1877

SEASON OF 1943-1944

“Her Master’s Voice”

A COMEDY IN TWO ACTS

by CLARE KUMMER

will be given for the 214th production by The Footlight Club in Eliot Hall, Jamaica Plain, on Thursday, May 4th, Friday, May 5th, and Saturday, May 6th, at 8.30 P.M.

“Her Master’s Voice” was presented at the Plymouth Theatre in New York a decade ago with Roland Young in the role of Ned Farrar. Ned’s incompetence as a business man ends happily after two acts of fresh and engaging comedy.

Aunt Min is not alone Queena’s aunt, she is the aunt that many of us have known and sometimes remember too well, but always with a soft spot in our hearts.

Miss Kummer offers an amusing, gay and refreshing evening of richly spiced entertainment.

INFORMATION ABOUT TICKETS

Tickets for this play, to which you are entitled as a member of the Club, are enclosed. As customary, they are distributed in rotation among the three performances of each play. Members who have fixed engagements for the date of tickets received will notify the Secretary *by mail* at Eliot Hall, Eliot St., Jamaica Plain, on or before Saturday, April 29, and tickets will be exchanged for another evening. *Please enclose self-addressed stamped envelope for this purpose.*

The attention of members is called to the rule of the Club that no seats can be reserved or held for anyone, except the front row where, by vote of the Directors, certain seats will be reserved until 8.15 o'clock for persons who have difficulty in hearing. Members wishing special passes for these seats for this reason may obtain them upon written request to the Secretary. The ushers are eager to give every cooperation in this regard.

For the Directors,

ELBERT B. DUNCAN, *Secretary*,
Eliot Hall, Eliot St.,
Jamaica Plain.

Proposals for membership in the Club, *if received at once*, will entitle the candidate to two tickets for the current play. Applications should be accompanied by the pro rata fee for Associate Membership, \$3.33.

It is suggested to all Active Members and Junior Members that this is an ideal time in the season to propose for membership those guests who may have been invited to previous performances. All classes of Membership in the Club are limited, as is the seating capacity of the hall. In the distribution of tickets, a carefully studied effort is made to comply with Members' wishes, and therefore promptness is urged in regard to proposals of new Members.

A cordial welcome is extended to all those who have recently been elected to Associate Membership.

GUEST TICKETS FOR SERVICE MEN

In accordance with action at the Annual Meeting, free Guest Tickets will be available for service men in the United Nations forces. These tickets will be distributed by the Service Men's Hospitality Committee. Members who know service men for whom they would like to secure tickets, or who are interested to help by being Hostess to service men at dinner before the performance should get in touch with the President, William Stanley Parker, 120 Boylston Street, Boston, Tel. Hancock 2270.

THE NEW HALF-ASSOCIATE MEMBERSHIP

The following action has been taken:

"A Half-Associate membership carrying half dues and half ticket privileges may be assigned to any member or members of his family of any Active, Associate, Life or Junior member upon unanimous vote of the Board of Directors. Such half-membership rights shall terminate with the expiration of the membership of the nominating member."

Members who find an added ticket useful from time to time for members of the family or friends, will find this new Half-Associate membership a convenient solution of the problem. Any member desiring to take advantage of this new provision should notify the Secretary.

For detailed information regarding the activities of The Footlight Club, a request to the Secretary will bring prompt response from the person best qualified to answer.

THE CALL BOARD

WANTED! — A GRAND PIANO!

This want ad. is printed just in case some one happens to have a grand piano lying around loose, or perhaps in storage, and would like to get rid of it (or save storage charges) by letting us have it for Eliot Hall, — either temporarily or permanently. Our present piano is too old and decrepit to warrant any expense for repairs, but we need a piano for the dancing classes and other entertainments that use Eliot Hall. It's a chance to get free storage anyway and keep the piano tuned and in use.

The following members are known to be already in some branch of the services:
